*QR codes are allowed on posters to share scientific and educational content. Information available via QR codes must be accessible and should not require a log-in. QR codes should not give access to company sponsored websites allowing access to prescription medicines advertisements. **Please ensure that the QR code is valid throughout the entirety of the Congress.**

## POSTER PRINTING

**EULAR 2025 will have physical posters for both Poster Tour and Poster View presentations, and we will host digital posters in our Poster Library.**

You will need to present a printed poster to the Congress **as well as** submit a digital poster via the Content Submission module which is accessible through your EULAR account.

This year, EULAR has partnered with **PosterSessionOnline** to make bringing a physical poster easier.

# ABSTRACT PRESENTATIONS

From our supplier:

*Do you want to avoid the hassle of traveling with your printed poster? EULAR 2025 is pleased to make poster printing available to you through our supplier **PosterSessionOnline**. Your poster will be professionally reviewed, printed and shipped directly to Barcelona and you will be able to pick it up from the Poster desk (between Hall 6 and Hall 7) from 10:00am on Wednesday 11 June and from 8:00am on all other days (please note: the Poster Desk closes at 18:00 on all days other than Saturday, where it closes at 15:00). Printing, packing and delivery to the conference venue costs **EUR 78 + 21% VAT**.*

Please note the deadline **Monday, 26 May 2025 (23:59 CEST)** to submit the poster file for printing

**Step 1:** Prepare your poster in a ready to print file as PDF or PowerPoint, 1 page only, 140×90 cm (horizontal format)
**Step 2:** Click here to submit your poster.
**Step 3:** Pick up your poster onsite at the Poster desk.
